Dit getekende verhaal heeft geen woorden nodig. Een klein meisje wil dolgraag vliegen. Haar eerste moeizame pogingen mislukken alle, maar dan ... daar gaat ze !!! Een hele stoet mensen en een hond hollen achter haar aan. Het wordt een vrolijke achtervolging die voor iedereen goed afloopt.

Voor haar vertederende prentenboek *Knuffel* ontving Shirley Hughes in 1977 de Britse *Kate Greenaway Medal* en in 1980 de Nederlandse *Zilveren Griffel*, volkomen terechte onderscheidingen voor deze schrijfster en illustratrice van meer dan honderd kinderboeken. Van Shirley Hughes zijn bij Uitgeverij Heuff eveneens verschenen: *Knuffelen* *De hulpjes*.
